

2018 CINT ANNUAL MEETING

September 24-25, 2018

The Center for Integrated Nanotechnologies (CINT) Annual Meeting is an opportunity to showcase the innovative research in nano-science and nanotechnology carried out by CINT scientists and users.

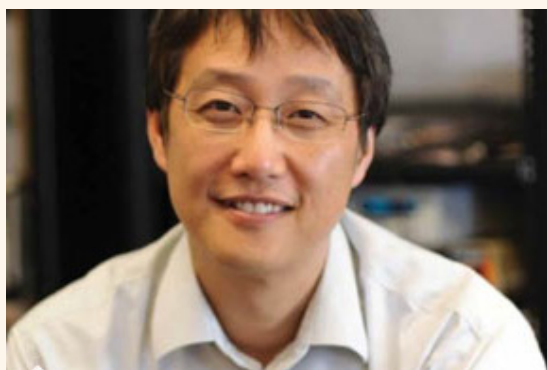

Join us this September to learn about our latest research and the capabilities and resources available at CINT, as well as the process for becoming a user.

Symposia

- Emerging Methods in In-Situ Nanomechanics
- Soft Materials Imaging
- Quantum Materials

Plus three plenary speakers, including Sir Fraser Stoddart, recipient of the Nobel Prize in Chemistry for his design and synthesis of molecular machines.

Prof. Philip Kim
Harvard University

Prof. Jun Lou
Rice University

Sir Fraser Stoddart
Northwestern University

Location: La Fonda on the Plaza, Santa Fe, NM

Date: September 24-25, 2018
